

COMPANY OVERVIEW

G Ventures, LLC is a verified SDVOSB providing reliable multi-modal transportation, warehousing, and logistics services to help federal prime contractors meet their SDVOSB subcontracting goals. Backed by a leading national 3PL fulfillment partner, we deliver traditional inbound and outbound logistics, warehousing, and supply chain support with full visibility and tracking. We have generated over \$10M in transportation revenue supporting federal prime contractors as an SDVOSB subcontractor.

VALUE TO PRIME CONTRACTORS

- Provide immediate SDVOSB credit toward subcontracting goals
- Ensure full SDVOSB control/oversight (no pass-through risk)
- Enable seamless integration with prime workflows and reporting
- Offer low-risk, high-reliability subcontracting partner
- Deliver reliable logistics and warehousing solutions backed by leading global 3PL partner
- Maintain audit-ready documentation and compliance

CORE CAPABILITIES

- Execute multi-modal transportation (flatbed, stepdeck, ocean, air) for inbound and outbound freight
- Warehousing and storage services for general freight and distribution needs
- Provide full visibility and tracking via TMS/CRM integration for real-time status and compliance
- Scalable logistics execution and supply chain support for federal contractors
- Crisis and contingency transportation support when needed

DIFFERENTIATORS

- Bring Navy veteran leadership (former A-6 NFO) with 30+ years logistics experience
- Proven track record generating over \$10M in revenue from subcontracting arrangements
- Focus on agile, compliant, mission-driven solutions -ready for SDVOSB goals
- Scalable fulfillment capability nationwide and globally with 3PL fulfillment partner

FEDERAL READINESS

- SAM Registered (UEI: VSH6WGA8YAJ3)
- CAGE: 69KY4
- FAR-aligned processes
- Audit-ready documentation
- Qualified for SDVOSB set-asides and sole-source opportunities

TEAMING SCENARIOS

- Inbound and outbound multi-modal transportation services
