

COMPANY OVERVIEW

G Ventures, LLC is a verified SDVOSB providing reliable multi-modal transportation, warehousing, and logistics services to help federal prime contractors meet their SDVOSB subcontracting goals. Backed by a national 3PL fulfillment partner, we deliver inbound and outbound logistics, warehousing, and supply chain support with full visibility and tracking. We have generated over \$10M in transportation revenue supporting federal prime contractors as an SDVOSB subcontractor.

VALUE TO PRIME CONTRACTORS

- Provide immediate SDVOSB credit toward subcontracting goals
- Ensure full SDVOSB control/oversight — no pass-through risk
- Seamless integration with prime workflows and reporting
- Low-risk, high-reliability subcontracting partner
- Reliable logistics and warehousing through national 3PL partner
- Audit-ready documentation and compliance
- Centralized SDVOSB oversight ensures compliance, visibility, and seamless coordination across all logistics activities

CORE CAPABILITIES

- Multi-modal transportation (flatbed, stepdeck, ocean, air)
- General warehousing and storage for freight and distribution
- Full visibility and tracking via TMS/CRM integration
- Scalable logistics execution and supply chain support
- Inbound parts logistics for defense manufacturing programs
- Crisis, contingency, and surge transportation capacity for time-sensitive or high-volume requirements

DIFFERENTIATORS

- Navy veteran leadership (former A-6 NFO) with 30+ years logistics experience
- \$10M+ in revenue supporting federal prime contractors as SDVOSB sub
- Agile, compliant, mission-driven solutions purpose-built for SDVOSB goals
- Scalable fulfillment nationwide and globally with 3PL partner
- Experienced across all modes: flatbed, stepdeck, ocean, air, intermodal
- Audit-ready documentation and FAR-aligned compliance processes

TEAMING SCENARIOS

- Inbound and outbound multi-modal transportation services
- Warehousing and distribution support for federal programs
- Inbound construction and materials freight for shipyard facility expansion and munitions plant programs
- Inbound parts logistics for defense manufacturing primes
- Supply chain support for military exchange & commissary contractors
- Emergency response and surge transportation capacity
- General freight and asset movement for prime contractors

FEDERAL READINESS

- SAM Registered — UEI: VSH6WGA8YA3
- CAGE Code: 69KY4
- SBA VetCert SDVOSB Certified (Approved)
- FAR-aligned processes
- Audit-ready documentation
- Qualified for SDVOSB set-asides and sole-source opportunities
- Open to BPA, IDIQ, and task-order teaming

PAST PERFORMANCE

- \$10M+ in transportation revenue supporting federal prime contractors as SDVOSB subcontractor
- DoD-adjacent subcontracting — multi-modal freight and logistics execution
- 30+ years of logistics leadership across domestic and international operations
- Proven surge capacity and contingency transportation for mission-critical programs
